Dear Jim & Vickie,

Sorry its taken so long to write --  
but I've enjoyed your letters. That  
one is a nice house you are  
renting. I wish Mike and I  
could find something like that  
out here. It must be fun getting  
new furniture, too. You are sure  
seeing a lot of the country with  
all of your traveling.

Mike and I are going over  
to the tri-cities this weekend for  
the Franklin County Democratic  
Picnic, and then Mike's little  
sister is going to stay with us  
a couple of weeks. She is going  
to work down here at the Vote - 19  
office.

Monday, Ruthie had Sindi,  
Jeannie, Mom & I out for a  
luncheon at her new home in  
Everett. It really is a beautiful  
house with a sunken fire place  
and a bar room.

Jeannie announced that she is expecting. They all brought their kids, so it was getting a little noisy by the time we left.

I have been playing a lot of bridge lately. Last Saturday Mike and I played in the SeaFair Tournament, & last night I played with mom at Lakewood. I can really see how people get enthused over the game, as I can't wait to play again.

Sandi is working on the preparations for the '60 Class reunion. Ruthie wants Quack to go -- but she doesn't think he will. Sandi is going to get you a book which tell about all the people in your class and what they are doing now - etc.

Well, I am glad you're coming home Thanksgiving. I am going to try to talk to Mike about driving out there next year after the session. Your job sure sounds great, Jimmy. You sure have a lot of responsibility. Although, I like Vickie's job, too!

Love, Mary
